

CHALLENGE CHALLENGE CHALLENGE GREEN WHEELS CHALLENGE CHALLENGE CHALLENGE

ONE WEEK — WHAT CAN YOU DO?

APRIL 20-24

Register your team to spend a week reducing Lincoln's carbon footprint by riding a bike, taking a city bus or carpooling to work the week of April 20th to 24th. Any office or group of individuals can form 4-person teams to participate. Here's how it works:

- 1 **Submit the number of miles normally driven from home to work**
- 2 **Record the number of miles not used from April 20th to 24th**
- 3 **Use the carbon calculator to see how much you're saving**
- 4 **Watch Lincoln's total carbon savings grow**

Participation is FREE. T-shirts are \$10.
